

Making Tax Digital - *Is Your Business Ready?*

	25.01.2019		South Green Park Enterprise Centre 48 South Green Mattishall Dereham NR20 3JY
	Doors open: 9:15 Talks start: 09:30		

You may or may not be aware that HMRC have introduced new legislation coined Making Tax Digital which, from 1st April 2019, will affect the way that all VAT-registered individuals, companies, landlords & charities with VAT-able turnover above £85,000 both record and report their financial data to HMRC.

As part of our commitment to ensure our valued clients are both educated about and comfortable with the proposed changes, Aston Shaw are joining forces with Barclays & New Anglia Growth Hub to arrange this free-to-attend seminar to explain in layman's terms what will be changing and how you can take steps to not just comply with, but take advantage of, the new rules.

Agenda

09:15 - 09:30	Registration, tea, coffee and networking
09:30 - 09:40	Welcome, New Anglia Growth Hub, who are we and how can we help you
