

Environmental Policy

Aston Shaw Limited is committed to providing a quality service in a manner that minimises our potential impact on the environment.

Our strategy is to achieve this through our commitment to:

- Integrate the consideration of environmental concerns and impacts into our decision making and activities.
- Minimise our waste and reuse or recycle as much of it as is possible.
- Minimise energy and water use within our building and processes in order to conserve supplies and minimise the consumption of natural resources.
- As far as is possible, purchase products and services that do the least damage to the environment.
- Train, educate and inform our employees about environmental issues that may affect their work.
- Promote environmental awareness among our employees and encourage them to work in an environmentally responsible manner.
- Communicate our environmental commitments to clients, customers and the public and encourage them to support it.

This policy is reviewed on a regular basis.
